5 days
of manual work

into

5 seconds
with automation

An essential tool for BI groups

EMPOWER YOUR BI GROUP WITH AUTOMATION TECHNOLOGY

And enable the business to move faster

What's being said about Octopai:

“Octopai has transformed metadata management from a 'nice to have' to a 'must have'. The BI group can now find the data they need in a fraction of the time.”

Gal Rimon, CEO
Game Effective

"A centralized metadata solution is needed in order to be a successful data hunter-gatherer in the new complex world of data & analytics."

Claudia Imhoff Ph.D.
President, Intelligent
Solutions Inc.

“Octopai helps BI groups find and understand metadata within seconds. It's easy to use, incredibly accurate, and hands down the best investment for this field.”

Asaf Bar, CEO
Eternity IT Services
